NARRATIVE

On 12/23/2014 at about 2034 hours (all times approximate) I was dispatched by police radio to a two vehicle blocking/non-injury vehicle collision at the intersection of SR 92 and Callow Road (about the 10500 block) in the city of Lake Stevens.

Arriving on scene I contacted both driver's involved in the collision. One vehicle had one adult passenger and the other vehicle had two small juvenile passengers.

One vehicle was partially blocking the eastbound lane of SR 92 (on the eastbound shoulder facing westbound) which had extensive damage to the rear of the vehicle. The other vehicle involved was blocking the southbound lane of Callow Road on the south side SR 92. Due to the large amount of debris in the intersection of SR 92 and Callow Road it appeared the point of impact was in or near the intersection.

At the time of my arrival all drivers and passengers had gotten out of the vehicles. The two small juvenile passengers were not observed to be in their car seats but there were car seats in the vehicle. No vehicle occupants were observed in the vehicles with their seatbelts on.

Based on statements and evidence at the scene it is found U2 had been stopped for traffic in the westbound lane of travel on SR 92 at Callow Road intending to make a left turn. The driver of U1 claimed her windshield was fogged up and she could only see through a small clear portion at the bottom of the windshield. The driver of U1 claimed she had been following a vehicle and the vehicle she had been following passed the stopped car (U2) on the right and by the time she realized there was a car stopped in front of her in the roadway she attempted to stop and could not. The driver of U1 stated she thought she had been traveling about 40 mph (in a posted 55 mph speed zone) at the time of the collision. The driver of U2 also stated a vehicle had passed his vehicle on the right prior to the collision; claiming there had been a larger distance between the vehicle that passed him and U1 which struck his vehicle.

U1 struck the back of stopped U2 causing reportable damage to both vehicles. Both vehicles were towed from the scene.

At the time of the collision no persons claimed any injury.
